

k. profile\_school\_code

- Additional field updation of `user_type = "Student"`.
- Is the field names (exact name) compulsory while uploading the excel sheet?

	A	B	C	D	E	F	
1	Name	Email	Password	Phone	User_login_type	Status	Logintype
2	Vijaya	infocare31@gmail.com		8978023241	15		1 https://ui-
3	Kritika Jhala	jhalakritika83@gmail.com		8003803039	1		1 https://ui-
4	Kalash	kalashumak05@gmail.com		1234567890	1		1 https://ui-
5	Kalash	kalashumak@gmail.com	0123456789		1		1 https://ui-

- Password should be sent to registered email. (same as in registration)
- What is a particular user is already registered with us? Update all the fields if both email and phone no. match. If only one of the them match, then don't update the data.
- Build a log of whole upload. For each data,
  1. Successful
  2. Already registered and data updated
  3. Phone no. and email doesn't match and the data is not updated
- Remove 'Export User Data'. Instead put "sample excel sheet download"

sheet download"

- Instead of "Import User Data", rename it to "Update Users"

5. **Users** table in Admin; [Done](#)

- Add extra column "institute\_name" (school)
- remove column "login type name"

Users								
Show	50	entries	Search:

1330	Nimrat	7896189945	Amritsar	Student	1		Guest	<a href="#">✎</a> <a href="#">▲</a>
1329	OM PRAKASH	9873112902	PATNA	Teacher	1		Guest	<a href="#">✎</a> <a href="#">▲</a>

6. **School Principal** table in Marketing Management in Admin: add extra column for district name and district code. All fields should be searchable. For this add extra columns in the table and fill them when add principal form is uploaded.
  - a. Also add another column; Number of teachers with that school code.
7. **Marketing Management Login** not Marketing Admin Logins in Admin. (just change the heading name). Deactivated are not **visible**. **Done**
8. Additional fields in **Marketing Management** in admin (view only, no privileges, no add, separate files) (below "school principal")
  - a. Users
  - b. Login types
9. **New section** for **Executive** (like Marketing Management) (**view only**)
  - a. School principal (only those schools in the allotted districts) (with the new changes in the school principal)
  - b. His school visits
  - c. His performance
10. **Executive Login** like Marketing Admin Login
11. Careers page: One paragraph write up and then following fields: Name, Age, Mobile, qualification, experience, English proficiency, **Resume Upload (pdf)**. Table display (view) in admin. **(Alert?)**
12. **Usage Analytics** (24hr, last 3 days, last week, last 30 days, last 3 months, last year)
  - a. Number of logins
  - b. Number of sample video clicks (displays)
  - c. Video clicks (school teacher wise, school students wise)
13. Shorts (Will elaborate shortly)
14. ME visits / inputs / tracking (Will elaborate shortly)
15. ME performance (Will elaborate shortly)
