Corrections-1

1. Payment is being made without login. Prompt the user to login. (Retain all features as in instamojo).

   a. Provision to link a payment to a login type from backend   Done

   b. Post payment processing like, login type updation, logout, and redirecting to front page for login again.   Done

   c. Provision to select a payment gateway from different service providers from the backend. (will do when we have more payment gateways)

   d. Remove instamojo   Done

   e. Also rename phonePe to Pay.   Done

2. Foundation Theory (Foundation)   Extra space in video info page. Please remove it.   Done

3. Activate / Deactivate (logintype_status = 0, 1 wrong labeling) is not working for users. Deactivated users shouldn't be allowed to login with a message 'Your account has been deactivated, kindly contact 9100 44 6383 (whatsapp)'   Done

4. Excel Upload: Done *(handwritten: Why login status is not is '0' by default.)*

   a. Remove 'Teacher / Student' column in the last. By default it is 'Student'. Needs to be added in the coding. Done

   b. It is silent when one of the phone no. or email is matching and no intimation. Record is not updated for 'Alok' as Phone and email are not matching. (Red color) Done

   c. Validation of 10-digit phone number is not happening. Record is not updated for 'Alok' as Phone is not valid. (Red color) Done

   (handwritten: But new record is also being inserted. →)

   d. Shared a new sample excel sheet to be downloaded. Also shared ToSchool excel sheet to be downloaded. Done

   e. Is email being sent for updation (not creation) of a record?

   (handwritten: Not being sent, and is Ok.)

5. Users section in the adiclasses.com/admin is not matching with users table in the database. Entries done through excel sheet are not reflecting in adiclasses.com/admin/users.

   (handwritten: ? 0)
