

Corrections-1

1. Payment is being made without login. Prompt the user to login. (Retain all features as in instamojo).
 - a. Provision to link a payment to a login type from backend Done
 - b. Post payment processing like, login type updation, logout, and redirecting to front page for login again. Done
 - c. Provision to select a payment gateway from different service providers from the backend. (will do when we have more payment gateways)
 - d. Remove instamojo Done
 - e. Also rename phonePe to Pay. Done

2. Foundation Theory (Foundation) Extra space in video info page. Please remove it. Done

3. Activate / Deactivate (logintype_status = 0, 1 wrong labeling) is not working for users. Deactivated users shouldn't be allowed to login with a message 'Your account has been deactivated, kindly contact 9100 44 6383 (whatsapp)' Done

6. Careers:

- Tried shifting its position to several places. Need a discussion.
- Not able to download pdf file from admin. (Resume)

- c. Last name, age and qualification are not visible in the backend.
- d. All are compulsory fields. (frontend)

7. Admin > School Principal

- a. Only latest 50 records are being shown. Pagination is not working. By default make it 100 per page.
- b. District (Code)

8. Executive login should have restricted privilege(in admin). Only executive section.

9. Email change for users, similar to email change for principal.

10. Mobile access of Admin

- a. Mobile version has different alignment
- b. Marketing Management has full access to admin through mobile. Marketing Executives have full access to admin **both** through mobile and desktop.
- c. Block mobile access of admin?

11. Comments: video id is not being updated in the table. Complete the implementation.

12.
